Dear Mr. Nieves:

The NAILBA Charitable Foundation appreciated the opportunity to consider your 2010 grant application to fund Tuesday's Child's Program "Familias Felices". **Congratulations!** Your charity has been chosen to receive a \$10,000 grant.

We received 31 grant applications which were all thoroughly reviewed. After much deliberation, the Grants Committee awarded 13 grants, totaling \$160,000. While all the grant applications were worthy, not every project could be funded and we regretfully have to decline many commendable applications. We applaud the wonderful work that Tuesday's Child is doing.

Our grant committee looked for three critical elements in determining our recipients. These included:

- Programs and services that focus on children in the United States.
- Active involvement by our member agencies, companies or vendors.
- The ability for our grant to make a meaningful difference in the program's overall budget.

I hope this is exciting news. Your NAILBA member agency sponsor will be contacting you in about a month to arrange a time for delivery of the grant check.

For more information regarding the NAILBA Charitable Foundation, please contact Naomi Romanchok, CMP, Director of Foundation Events and Membership at nromanchok@nailba.org or at 703.383.3072.

On behalf of the NAILBA Charitable Foundation, congratulations again, and we wish you continued success.

Sincerely,
